Basics of Tagalog

Tagalog Made Easy for Beginners
Learn Essential Phrases, Grammar and Vocabulary

Planning a trip to the Philippines, connecting with family, or learning a new language?
Basics of Tagalog by Milany Guab provides a structured, free 7-part course designed to take absolute beginners from zero to building confident everyday conversations.

Course Overview

Part 1–2 · Core Foundations
Alphabet, glottal stops, essential greetings, courtesy phrases, and survival vocabulary.

Part 3–4 · Grammar & Vocab
Numbers, family, time, food, case markers (*ang / ng / sa*), verb aspect, and actor/object focus.

Part 5–6 · Everyday Dialogues
Shopping, dining, directions, social plans, and Filipino social etiquette (like *po / opo*).

Part 7 · Practice Drills
Guided exercises, sentence-building tasks, dialogue practice, and complete answer keys.

Quick Lesson Preview
